

Different groups affected by the Grenfell Tower fire

January 2025

Grenfell and affected populations

As we move into the next phase of the North Kensington Recovery (NKR), we recognise the importance of understanding who has been affected by the Grenfell tragedy. We know that people's experiences vary, and the support they need will be different.

The definitions below outline the groups of people who have been impacted by the Grenfell tragedy, helping to identify those in need of support.

Survivors	People who left the Tower after 1.28 am and were at significant risk of death
	People who left the Tower before 1.28 am
	Former Grenfell Tower resident not home in the tower at the time of the fire/former Grenfell Walk resident
	Children born to survivors
Bereaved	Lost a family member or partner
Community	All current residents of the area (within 500 metre of the tower- see map in slide 3), or lived close to the tower at the time of the fire
Community	Wider North Kensington community
