Dear Resident

Concerns About Your Health

You may have read in the press a report on Grenfell fighters and concerns about their health.

We understand the worry and anxiety this may cause and if anyone does have concerns about their health they should speak to their GP who will be able to offer help and advice. Alternatively, they can book a place at one of our free community enhanced health checks. These are available at several venues in January and moving forward:

Date	Time	Venue
Friday 24 January 2025	10.00am to 4.30pm	Venture Centre Faraday House, 103a Wornington Road, London W10 5YB
Tuesday 28 January 2025	9am to 12.30pm	Bay 20 71 St Marks Road, London W10 6JG
Friday 31 January 2025	9.30am to 5.00pm	St Charles Community Centre Community Clinic 2 (CC2) Exmoor Street, London W10 6DZ
Thursday 6 February 2025	12.30pm to 4.00pm	Lancaster West Baseline Studio 1 Station Walk, London W11 1WE
Friday 7 February 2025	10.00am to 4.30pm	Edward Woods Community Centre 60 Norland Road, London W11 4TX
Friday 14 February 2025	9.30am to 5.00pm	St Charles Community Centre Community Clinic 2 (CC2) Exmoor Street, London W10 6DZ
Friday 21 February 2025	10.00am to 4.30pm	Venture Centre Faraday House, 103a Wornington Road, London W10 5YB
Tuesday 25 February 2025	9.00am to 12.30pm	Bay 20 71 St Marks Road, London W10 6JG
Friday 28 February 2025	9.30am to 4.30pm	St Charles Community Centre Community Clinic 2 (CC2) Exmoor Street, London W10 6DZ

All you have to do is choose your date, then send an email with your name, date of birth and contact number to the email address: nhsnwlgrenfellenhancedhealth@nhs.net The service will then make contact to arrange an appointment. Enhanced health checks are also available at your local GP practice.

Alternatively, you can call the contact number **07768 271 733** (Monday - Friday 9.00am-5.00pm). Family appointments may also be available.

Further information on Grenfell related public health monitoring can be found on the [Royal Borough of Kensington and Chelsea website](#).

If residents have any other worries or questions for the NHS please contact us by emailing nhsnwlnkrt@nhs.net

We remain committed to reviewing any new evidence to ensure our services continue to address emerging health needs. The care and support we provide to the Grenfell-affected community have always been, and will continue to be, guided by the best available clinical evidence.

Yours faithfully

Dr Andrew Steeden
